

# Patricia Brinkman-Falter

*Speaker | Author | Motivator & Mentor*

Pat Brinkman-Falter is a dental hygienist, myofunctional therapist, and the author of several articles about myofunctional therapy. She is the creator of the chairside screening tool "SPOTS", an award-winning national speaker, coach, mentor, and motivator with a passionate approach to inspiring and encouraging her audience. Pat uses her experience in the dental and myofunctional industry to educate and motivate her audience by showing the power of continuing your education in complementary fields. Her perseverance and tenacity has made her a top-rated speaker sought after by dental communities and conferences.
